

NOTICE OF COMMENT PERIOD
AND PUBLIC HEARING REGARDING A MODIFICATION
TO ERIE COUNTY'S FY 2014 CDBG PROGRAM

A public hearing will be held on Thursday, August 11, 2016 at 4:00 PM in the conference room of the Erie County Department of Planning (ECDP), 150 East Front Street, Suite 300, Erie PA 16507, for the purpose of obtaining comments on a proposal to modify the County's FY 2014 CDBG program.

Erie County received \$283,353 in FY 2014 CDBG funding from the PA Department of Community and Economic Development and previously resolved that the funds be used to undertake the following projects/activities:

- 1) \$79,676 - Union City Route 97 Storm Sewer Construction Project
- 2) \$79,677 - Union City Municipal Authority South Street Phase II/Second Avenue Sanitary Sewer Line Replacement Project
- 3) \$73,000 - Fairview Township Water Authority Birchard Drive Water Line Replacement Project
- 4) \$51,000 – Program Administration

It has been determined that the Route 97 Storm Sewer Construction Project will not be able to be undertaken as proposed and therefore the County proposes to "modify" the FY 2014 program as follows:

- Delete the Union City Route 97 Storm Sewer Construction Project and reprogram the funds totaling \$79,676 for a new activity known as the Union City Borough Handicapped Accessible Curb-Cut Ramps Project which will involve the installation of approximately forty (40) curb-cut ramps at various locations throughout the Borough.

Persons wishing to comment on the proposed modification are encouraged to attend the hearing. Those unable to attend but who would like to comment may do so by contacting County Planning by writing to the above address or emailing jberdis@eriecountypa.gov. Comments will be accepted up until the time of the hearing.

The meeting location where the hearing will be conducted is handicapped accessible. The ECDP will make reasonable accommodation for any known disability that may interfere with a person's ability to participate in this public hearing. Persons needing an accommodation must notify/contact Joe Berdis, CDBG Administrator at 451-7330 at least 72 hours prior to the hearing to discuss how the ECDP may best accommodate their needs.

Erie County Council will consider authorizing the modification by means of a resolution at its meeting of August 23, 2016. If so authorized, the necessary documentation will be submitted to the PA Department of Community & Economic Development for approval.
